BANDI RUCHITHA

Java Full-Stack Developer | Fresher

9848974967 | bandiruchitha11@gmail.com | Ameerpet, Hyderabad

ABOUT ME

I am a Java Full-Stack Developer with a strong interest in software development and web technologies. I have knowledge of Java, HTML, CSS, JavaScript, React.js, Tailwind CSS, and SQL. I enjoy building user-friendly applications and solving programming problems, and I am a quick learner who is always ready to pick up new tools and technologies.

CAREER OBJECTIVE

Motivated and enthusiastic Java Full-Stack Developer fresher with knowledge of Java, HTML, CSS, JavaScript, React, SQL, and database concepts. Interested in developing user-friendly web applications and continuously improving technical and problem-solving skills. Seeking an opportunity to begin my career in a challenging software development environment, with the long-term goal of growing as a Frontend / Full-Stack Developer.

EDUCATION

Master of Computer Applications (MCA) 2023 - 2025
